Event Description and Information:

The EU BON project which is coordinated by the Museum für Naturkunde in Berlin (Germany) **has started on 1st December** and will continue for 4.5 years. We are very happy to have you on board!

The **EU BON KickOff** meeting will be held in Berlin from **13-15 February 2013**. The KickOff will be preceded by a **Symposium "Nature and governance: biodiversity data, science and policy interface"** from **11-12 February in Berlin** with high-ranking speakers.

Main topics will be:

- What (data) policy needs?
- The future of biodiversity information: new ways for generating, managing, and integrating biodiversity data.
- How new approaches / models can link scales and disciplines.
- Broadening the base and opening up: new ways to engage the public and stakeholders in biodiversity monitoring and assessments.

Herewith you are invited to share with us this outstanding Symposium and the EU BON KickOff meeting.

Please register for the Symposium and the EU BON KickOff on this website:

<http://www.symposium.eubon.eu/> [3].

The booking form for the Seminaris Hotel is available on this website too.

For our planning it would be helpful if you would do your registration and your hotel booking soon.

The participation in both the Symposium and the Kickoff Meeting are free of charge. Accommodation and travel costs have to be covered by the partners themselves. It is advisable to have at least two colleagues from your institution/per partner attending.
